

VACANCY FOR RESEARCH ASSISTANT

We are seeking for suitable local applicants to fill for the position of graduate research assistants. The requirements are as follows:

- Have a BSc or MSc in biomedicine/biotechnology or related sciences (microbiology, chemistry, physics, biostatistics, bioinformatics, etc.) from recognized universities
- Have some experience in molecular biology techniques
- Have a good CGPA of 3.00 and above (those with CGPA <3.00 have to provide reports from 2 referees)
- Good command of written and spoken Bahasa Malaysia and English
- Have experience working in a laboratory (experience in handling small animals e.g mice, will be an advantage)
- Hardworking, energetic, willing to learn (continue to further study) and have good work ethics

Interested applicants are invited to send via email detailed resume, academic transcripts, qualifications, experience together with a contact phone number to bahiyah@mail.hukm.ukm.my not later than 28th August 2008. Only short listed candidates will be notified. For more details, please call Cik Bahiyah Tuah at 03-9171 8461, ext 111.
