

## SPEAKERS

The speakers will include experts with extensive experience in fields related to water chemistry.

- \* Dr. Saad Jasim (Walkerton Clean Water Center, WCWC)  
*Advances in water treatment technology.*
- \* Prof. Kyoung Woong Kim (GIST)  
*Health impact of water quality.*
- \* (UNU-IIGH).  
*Analytical methods development for water analysis.*

## REGISTRATION & FEES

The fees for the conference is RM 700.00 per person and RM 350.00 for students, which includes a proceeding (CD), certificates and meals. Payment may be made by cheque or bank draft. For payment by cheque or bank draft, please make payable to **Bendahari Universiti Kebangsaan Malaysia.**

Registration should be made to the Secretariat via fax or email before 1<sup>st</sup> October 2009.

## PUBLICATION

All papers will be refereed and selected papers will be published in a book (jointly published by UNU and UKM). All papers presented in CWCH 1 will be published as a proceeding in the form of a compact disc.

## INTRODUCTION

In the year 2000 the United Nations launched its UN Millennium Development Goals. There are 8 goals targeted to be achieved by the year 2015. The theme "Ensure Environment Sustainability" forms the seventh of its eight millennium goals. Under this theme the United Nations has set Target 3 as "Halve, by 2015, the proportion of the population without sustainable access to safe drinking water and basic sanitation". The UN General Assembly proclaimed the years 2005 - 2015 as the International Decade for Action "Water for Life".

As the rate of pollution has escalated, the source of clean and safe water is getting to be depleted. We have to resort to better techniques to purify our waters. The purification techniques can also create new toxic by-products which is detrimental to health. We are organising this Conference on Water Chemistry and Health to address the problems pertaining to safe and clean water. The theme of the conference is "Quality Water for Health".

## CONFERENCE OBJECTIVES

The aim of this conference is to explore the importance of quality water for health. There will be four sub themes:

- \* Advances in water treatment technology.
- \* Analytical methods development for water analysis.
- \* Health impact of water quality.
- \* Development in water treatment chemicals.

## PARTICIPANTS

The conference is open to those who are interested to discover the problems and solutions for producing clean and safe water. The health effects of treated water will also be addressed.

## VENUE

The conference will be held at Putrajaya Marriott Hotel. The hotel is a mere 30 minutes drive to Kuala Lumpur International Airport (KLIA).

# 1<sup>st</sup> Conference on Water Chemistry and Health: Quality Water for Health ( CWCH 1 )

In conjunction with FST 10<sup>th</sup> Anniversary Celebration

**24 - 25 November 2009**

**Putrajaya Marriott Hotel**

Organised by  
Centre for Water Research & Analysis (**ALIR**),  
UNU-International Institute for Global Health  
( UNU-IIGH ) and  
School of Chemical Sciences and Food  
Technology  
Faculty of Science & Technology  
Universiti Kebangsaan Malaysia

*In collaboration with*

Gwangju Institute of Science & Technology ( GIST )  
Suruhanjaya Perkhidmatan Air Negara ( SPAN )  
National Hydraulic Research Institute of Malaysia (NAHRIM)  
Malaysian Institute of Chemistry (IKM)

## REGISTRATION FORM

### CWCH 1

### 1<sup>st</sup> Conference on Water Chemistry and Health:

### *Quality Water for Health*

24 - 25 November 2009

Name :

.....

Position :

.....

Address :

.....

.....

I am attending the CWCH 1 as :

Oral presenter

Poster presenter

Participant

Title of paper: .....

Name of Presenter : .....

Telephone :

(Office) : .....

(Mobile) : .....

Fax : .....

E-mail : .....

Date : .....

Signature :

.....

### Patrons

Tan Sri Prof. Dato' Dr. Sharifah Hapsah Syed Hasan  
Tan Sri Dato' Dr. Mohamed Salleh Mohamed Yasin

### Advisor

Prof. Dr. Musa Ahmad

### Chairmen

Prof. Dr. Md Pauzi Abdullah  
Prof. Dato' Dr. Syed Mohamed Aljunid

### Deputy Chairman

Prof. Dr. Yang Farina Abdul Aziz

### Secretary

Dr. Ahmad Abas Kutty

### Treasurer

Prof. Datuk Dr. Sukiman Sarmani

### Advisory Committee

Prof. Young J. Kim (GIST)  
En. Marzuki Mohammad (SPAN)  
En. Shaharis Saad (MWA)  
Datuk Dr. Soon Ting Kueh (IKM)  
Ir. Hj Ahmad Jamalluddin Shaaban (NAHRIM)

### Committee Members

Prof. Dr. Lee Yook Heng  
Prof. Datin Dr. Zuriati Zakaria  
Prof. Dr. Rahimah Abdul Kadir  
Prof. Dr. Jamal Hisham Hashim  
Prof. Madya Dr. Jumat Salimon  
Prof. Madya Dr. Rozali Othman  
Prof. Madya Dr. Harun Hamzah  
Prof. Madya Dr. Mohd Shuhaimi Othman  
Dr. Mazrura Sahani  
Dr. Mohd Talib Latif  
Mr. Mohd Razif Alias

## TENTATIVE SCHEDULE

### Tuesday ( 24 November 2009 )

0900 - 0930	Welcoming Remarks
0930 - 1030	Keynote Address
1030 - 1100	Coffee / Tea Break
1100 - 1300	Session 1: Advances in Water Treatment Technology - Plenary 1 & oral presentations
1300 - 1400	Lunch / Solat
1400 - 1640	Session 2: Analytical Methods Development for Water Analysis - Plenary 2 & oral presentations
1640	Coffee / Tea Break

### Wednesday ( 25 November 2009 )

0845 - 1010	Session 3: Health Impact of Water Quality - Plenary 3 & oral presentations
1010 - 1130	Poster session Coffee / Tea Break
1130 - 1300	Session 3 ( Continue )
1300 - 1400	Lunch / Solat
1400 - 1630	Session 4: Development in Water Treatment Chemicals - Plenary 4 & oral presentations
1630 - 1645	Closing Ceremony Coffee / Tea End
	Conference Ends

### Important Dates

\* Submission of abstract : 30<sup>th</sup> August 2009  
\* Notification of acceptance : 15<sup>th</sup> September 2009  
\* Submission of papers : 15<sup>th</sup> October 2009

For formats of abstracts and papers please visit the conference website.
