

REGISTRATION FORM

ASIAN Regional Conference on Systems Biology 2010

I wish to participate in ARCSB 2010 as :

- Participant
 Oral Presenter
 Poster Presenter
 Exhibitor

Title : Prof. / Assoc. Prof. / Dr. / Mr. / Mrs. / Ms.

Name : _____

Organization : _____

Address: _____

Country : _____ Email: _____

Tel : _____ Fax : _____

Title of Paper: _____

- Oral Poster

Conference Topic : _____

Payment :

- Bank Draft Government Local Order
 Company Crossed Cheque Telegraphic Transfer

Cheque No: _____ Ref. No: _____

Date : _____

TERMS AND CONDITIONS

Payment should be made payable to Bendahari UKM:

Account No. : 1218-0010075-05-3

Bank Address : CIMB Bank Bhd,
Lot 1.04 & 1.05 Level 1
Wisma UNIKEB, Cawangan UKM Bangi,
43600 Bangi, Selangor.

Swift Code : CIBB MYKL

Please send the bank transaction document as proof of payment.

TERMS AND CONDITIONS

1. Registration confirmation will be sent to participant upon receipt of registration form.
2. Full payment must be received within 5 working days of invoice date.
We reserve the right to refuse admission if full payment is not received on time.
3. Cancellations made in writing 2 weeks before the event will be eligible for a 90% refund of the fees paid. There will be no refund for cancellation made after a 2-week deadline. Alternatively, substitution can be nominated.
4. A registered participant who does not submit a written cancellation or does not attend the conference is still liable for any outstanding balances and will be billed the full conference registration fee.

We hereby accept all terms of participation without reservation or restriction and that we relinquish any claims against the Organiser (the Organiser reserves the right to cancel or postpone the conference due to unforeseen circumstances). The undersigned hereby represents and warrants that he/she is duly authorized to execute this bidding contract on behalf of the delegates above.

Authorised Signature / Company Stamp

Date

Full name and designation of signatory

ENQUIRIES AND CORRESPONDENCE

Please send/e-mail completed form to:

SECRETARIAT (ARCSB 2010)

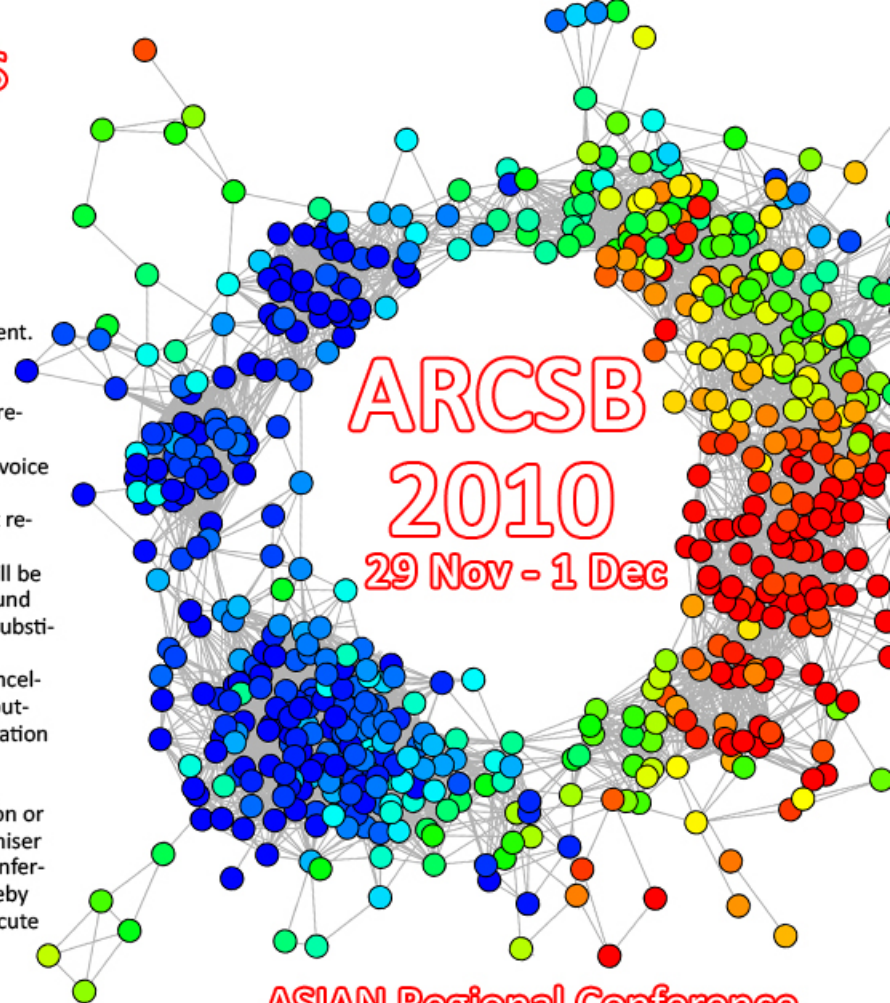

Institute of Systems Biology (INBIOSIS)

Universiti Kebangsaan Malaysia

43600 UKM Bangi Selangor, Malaysia

Tel: +603 8921 4548 / 4549 Fax: +603 8921 3398 Email: arcsb@ukm.my

Website : <http://www.inbiosis.ukm.my>

ARCSB

2010

29 Nov - 1 Dec

ASIAN Regional Conference on Systems Biology

*Integrating Networks, Building Systems,
Understanding Biology*

Introduction

Systems biology integrates highthroughput data acquisition to computational analysis. This has markedly increased our capacity to interrogate and understand biology as a complete system and not as isolated reactions and interactions. As a result, systems biology has brought about an unprecedented rate of knowledge acquisition in the life sciences. Networking has been a crucial component of systems biology at both the molecular and human interaction levels. The integration of networks has enabled complete overviews of biological systems to be built. The networking and collaborations between multidisciplinary groups of scientists have also been an important enabler for the practice of systems biology.

The ASIAN Regional Conference on Systems Biology 2010 (ARCSB 2010) will be the first gathering on systems biology research in this region. This meeting is organized by the Institute of Systems Biology (INBIOSIS), Universiti Kebangsaan Malaysia. The aim of ARCSB 2010 is to establish a firm foothold for systems biology in the region via networking and the sharing of ideas which is additionally catalysed by the participation of internationally renowned researchers in this field. This biannual event will gather local and international researchers who are involved in systems biology and allow them to discuss the latest developments in their research.

Who Should Attend

All individuals who have a stake in systems biology in their respective countries and are directly or indirectly involved in similar research areas. The expected attendance of the seminar are around 200 participants.

Scientific Programme and Scope

The ARCSB 2010 scientific programme is divided into keynote, plenary, oral and poster sessions. Keynote and plenary talks will be given by distinguished international speakers who play a key role in the development and application of systems biology. The conference will mainly cover the following topics :

- Functional genomics and biological networks
- Computational methods and tools
- Proteomics and systems biology
- Metabolomics and systems biology

Call For Papers

Delegates are invited to submit abstracts for oral and/or poster presentations. Abstracts should be classified into sections as listed under the Scientific Programme section. Please submit all abstracts as Word documents via email to arcsb@ukm.my. Further information pertaining to the oral and poster presentations are available from the conference website. All abstracts will be evaluated by the Scientific Committee.

Registration Fees

| | Local | | International | |
|---------|--------|-------|---------------|--------|
| Normal | RM800* | RM900 | USD400* | USD450 |
| Student | RM400* | RM450 | USD300* | USD350 |

Important Deadlines

| | |
|-------------------------|--------------------|
| Abstract | 30 September 2010 |
| Acceptance Notification | 15 September 2010 |
| Early Bird Registration | 30 September 2010* |
| Full Paper | 15 October 2010 |

Exhibition

Companies are invited to display their products and technologies during the conference. The charge will be RM3,000 per booth with a space of 3 m x 3 m. Panel boards, fascia board, one power outlet, one table and two chairs will be provided. **One free entry to the conference will be given to exhibitors and advertisers paying RM3,000 and above.**

Invited Speakers

Prof. Kazuki Saito
RIKEN Plant Science Center
Japan
Phytochemistry, Biotechnology, Molecular Biology,
Plant Tissue Culture

Prof. Satoru Miyano
University of Tokyo
Japan
Bioinformatics, Systems Biology, Computational
Biology, Genome Informatics

Prof. Mike Burrell
University of Sheffield
UK
Metabolomics , Metabolite Profiling

Prof. Eberhard O. Voit
Georgia Tech and Emory University
USA
Biomedical Systems, Metabolic Pathways,
Biochemical Systems Theory, S-systems

Conference Venue

The Royale Chulan Hotel lies conveniently in the heart of Kuala Lumpur city, within walking distance of many of the city's attraction from the spectacular sight of the Petronas Twin Tower, the Aquaria and the bright entertainment lights of Bukit Bintang. For those interested in arts and crafts the Karyaneka Craft Complex Kuala Lumpur is directly adjacent to the hotel. The Royale Chulan Hotel is conveniently located just approximately 45 minutes by car from the Kuala Lumpur International Airport (KLIA) as well as it takes about 30 minutes from Putrajaya, Malaysia's Administration Centre. Transportation from KLIA is available via KLIA Express, a fast and convenient 28 minute service from the airport to the city. Limousines and taxis are also available to convey guest in chauffeur-driven comfort to the hotel.
