## TERMS OF REFERENCE

1. This award is open only to those participating as Exhibitors of their inventions/innovations in Malaysia Technology Expo (MTE) 2009.
2. An invention/innovation must be new unless substantial modifications have been done to it since it was first competed in any other award.
3. An invention/innovation may be presented in the form of pro-series or commercial samples, already manufactured articles, prototypes, models, plans, drawings, photos and texts.
4. Inventor/innovator must complete a separate entry form for each invention/innovation per category, which they wish to compete. Not more than one invention/innovation may be submitted on each form. Photocopies of entry form may be used.
5. **Each entry must be accompanied by an entry fee of RM 400** (Ringgit Malaysia four hundred only) Payment must be made by bank draft/money order, make payable to **Malaysian Association of Research Scientists (MARS)**. The fee is non-refundable should one withdraw from the award.
6. A security service will operate during the whole period of the Exhibition. However, the Secretariat accept no responsibility for loss, theft, damage due to fire or other cause to invention/innovation during the Exhibition or in transit.
7. By his formal application to participate in the award, each inventor/innovator undertake to ensure the delivery of his invention/innovation before **9:00 hour 19<sup>th</sup> February 2009** and to allow it to remain on display during the whole Exhibition. Any inventor/innovator withdrawing his invention/innovation before closure shall render himself liable to pay damages and shall forfeit any award given to him.
8. The inventor/innovator or his representative is required to be at the exhibit at all times, throughout the Exhibition. Failure to comply may cause the forfeiting of any award given to him.
9. The decisions of the judges are final. Any complain will not be entertained.

---

## INVENTION & INNOVATION AWARD CATEGORIES

An invention/innovation may be classed under either one of the following categories. Please pick the class which suits your invention/innovation best. You are to decide in which class it will be placed.

Classed A: Mechanics – Engines – Machinery – Tools – Industrial processes – Metallurgy

Classed B: Clocks and watches – Jewellery – Machinery – Tools

Classed C: Electronic – Electricity – Computer Science – Radio-television – Video – Telecommunications

Classed D: Building – Architecture – Civil Engineering Construction – Materials – Woodwork
