INTRODUCTION

The National Postgraduate Seminar 2010 is an initiative by the Malaysian Society for Microbiology (MSM) to revive the previously organized Postgraduate Seminar under the auspices of UNESCO. In this inaugural seminar, we hope to set the stage again for these seminars to be a platform for students from various universities nationwide to come collectively to share, interact, learn and network through the various oral, poster and interaction opportunities presented over the one day seminar.

As indicated by the theme; we endeavor to set these seminars to share in the advancement of biotechnology and human resource development in the field of microbial biotechnology.

The Seminar is open to postgraduate students registered in public and private universities in the country. The scope of presentation will include:

- Medical Microbiology
- Molecular Microbiology
- Agriculture & Forest Microbiology
- Microbial Diversity & Ecology
- Systematic & Taxonomy
- Industrial Microbiology
- Pharmaceutical Microbiology
- General & Environmental Microbiology
- Biofuel

PROGRAMME

CALL FOR PAPERS

The organising committee of the NPS2010 invites submission of oral, and poster abstracts in all aspects of microbiology. The abstract must be in English which will be the official language of the Seminar. The programme will include:

- ☑ Keynote lecture
