Subject: Account Upgrade®

Dear user®:

Due to concerns, for the safety and continuous usage of Ukm.my Account we have issued this crucial message

We have noticed that your Ukm.my account needs to be upgraded in the new SSL certificates, after we have deployed new certificate in our database to fight against spam. To upgrade and access your account in future, please click on the upgrade link below to log into account upgrade and complete the required informations:

<http://mail.ukm.my/upgrade>

This e-mail was sent to all of our users. Do not respond to any scam letter asking to send your username and password via email.

Note that Ukm.my will never ask for your ID and password via email. Just [click on the above link](#), continue by filling the required information correctly to upgrade and your Ukm.my account information on our database will be automatically upgraded to our new SSL certificate.

Thanks for your co-operations.

Sincerely,

WEBMAIL Ukm.my Security®
