CRITICAL AGENDA PROJECT
KNOWLEDGE TRANSFER PROGRAMME – KTP
MINISTRY OF HIGHER EDUCATION MALAYSIA

KNOWLEDGE TRANSFER PROGRAMME

to
INDUSTRY & COMMUNITY

KTP GRANT SCHEME THIRD ROLLING PLAN (2013-2014)

Prepared By:
Knowledge Transfer Programme Committee
Ministry of Higher Education Malaysia

OBJECTIVE & GOAL OF KTP

- To recognize and promote the transfer of knowledge via the exchange of creative and innovative ideas, research findings, experiences and skills between IPTA, industries, government agencies and the wider community.

- To enable the development and improvement of the quality of products, services and policies to be shared for mutual benefits between the stakeholders i.e. academia, industry, community and the graduate/postgraduate intern.
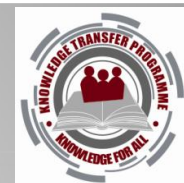

KEY RESULT AREA (KRA)

The 5 KRAs identified are in the fields of:

EDU • Education – raising level of education in certain areas

ECO • Economic gains for sector/s of industry in identified sector

GT • Sustainability and Green Technology Initiatives

DG • The Disadvantaged groups

IRC • Developing Industry Relevant curriculum (For High Impact sector)
