

Proteomics Seminar 2006

Join Us With
Prof. Angelika Görg and Dr. Reiner Westermeier

Prof. Görg received scientific awards in Glasgow (1992) and Tokyo (1994) from the British and Japanese Electrophoresis Societies, respectively, and was awarded the Heinz-Maier-Leibnitz Medal in 2001, as well as the “ Bundesverdienstkreuz am Bande” in 2003 in Munich.

In October 2004 at the 3rd World Congress of HUPO in Beijing, Prof Görg received in recognition of her indispensable contributions to the field of proteomics sciences “**the HUPO Distinguished Achievement award in Proteomics**”. After studying Biochemistry and Food Chemistry at the University of Tübingen and Stuttgart, Angelika Görg received her Ph.D. degree from the **Technical University of Munich**, and is now **Head of Proteomics Group**.
