Dear Prof. Dr. Yang Farina,

**THE PERDANA LEADERSHIP FOUNDATION'S RESEARCH GRANT**

With reference to the above, we would appreciate if you are able to publish an announcement on your website regarding the Perdana Leadership Foundation's Research Grant Awards.

Perdana Leadership Foundation is an independent non-profit foundation set up in late 2003 with the aim of preserving, developing and disseminating all the works by and on Malaysia's past Prime Ministers. Yang Amat Berbahagia Tun. Dr. Mahathir Mohamad, the former Prime Minister of Malaysia, is the Foundation's Honorary President.

In line with its aim of stimulating research on the leadership of Malaysia's past Prime Ministers, the Perdana Leadership Foundation is offering research grants to qualified scholars, with academic administration provided by the Institute of Research, Development and Commercialisation (IRDC), Universiti Teknologi MARA.

Themes and topics of research include national unity, social reengineering, politics, economy and education, as related to the policies and strategies of our past Prime Ministers. Among our objectives are to encourage the study of Malaysia's history and to increase awareness of Malaysia's rich intellectual heritage. We are offering these research grants to PhD and post-doctoral students or research fellows, and believe that staff and students at your university will find the grants relevant.
